**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have been a Sonic.net subscriber since 1995. My business depends on Sonic's excellent service and competitive pricing. I also get telephone service. I don't want to pay more for poorer service. Local companies give better service and are easier to deal with. I also want to support local businesses. We do not need a change in how the internet is provided to the community.
